

ALLEGHENY BAPTISTS Organizers of the First Protestant Church in This County. GROWTH OF THE DENOMINATION. Trials of the Early Congregations and Their Pastors. CHURCH DIRECTORY AND STATISTICS.

To the Baptist denomination belongs the honor of claiming the first Protestant church in Allegheny county. It was organized in 1773 and known as the First Baptist Church. Rev. the first Baptist church in Pittsburgh was the Fourth Avenue Baptist, organized in 1812. Only a little band they made, six families all told, not making, in numbers, more than 12. Like other pioneer churches they had at first no regular place of meeting.

ITS FIRST DECADE of history, and added to its members until the 12 had become 95. The church had been regularly constituted up to this time, but did not receive a charter until October of 1822. In 1827 the Rev. Samuel Williams was called to be the pastor. He began his work on the second Sabbath of May, 1827. His salary was \$300 per annum, and he was pastor for 28 years. There had been a break between the years 1835 and 1837, but under the supervision and care of this devoted pastor the church was gathered again into its own meeting house, the frame building on the corner of Grant street and Third avenue.

CHURCH GROWTH. The church continued to grow in members and influence. The changes were like those which follow in the wake of any church history. Changes were made in pastors and churches in the Allegheny city. In June, 1852, the old site on Grant street and Third avenue was sold to the Universalists for \$10,000, and lots on the corner of Fourth avenue and Key street were secured. On Sunday morning, February 24, 1867, the chapel of the commodious Fourth church was dedicated. Afterward the First Baptist Church of this city was organized in the Fourth avenue Baptist Church. In the meantime two new churches were organized. Thus the church began its work in the suburbs of the Allegheny city, and has opportunity to grow as the city increased in its territory and population.

THE FIRST MISSION was established only 14 years after the planting of the First Church. It was in 1833 that seven of the members departed to form the Welsh Church. Its first pastor was Jacob Morris. In 1835 15 members of the Fourth Avenue Church were dismissed by letter to aid in forming the Allegheny Street Baptist Church, of Allegheny. This church commemorated its fiftieth anniversary in March, 1885. Its first pastor was Rev. William Schradach. Its membership came in 1838 by Rev. John E. Thomas, who came to labor among the people as an evangelist. He was afterwards called to be pastor of the Baptist Church, in Allegheny. Like the original Fourth Church, for years there was no regular church building, but the church worshipped for a time over a carpenter shop on Park street, afterwards in the building of the Pittsburgh Academy, located in the limits of the present park grounds—it was not until as late as 1842 and 1843 that they were able to erect the present building—amid some discouragements the work went on, carrying for some years the burden of debt, but this debt was lifted after the pastoral of Rev. A. K. Bell. The present pastor, Dr. P. W. Woodburn, was called to the church in 1870, and his successful pastorate is too well assured for comment. From this church grew the Nixon street church, organized March 12, 1867, and 16 in 1870 were dismissed to unite with others in forming the first colored church of Allegheny county.

THE SOUTH PITTSBURGH CHURCH was formed in 1848. The Mount Washington church was the most, if not wholly, organized by members from the First; so that in 1812 when one Baptist church in Pittsburgh represented the Baptist Church in this city, its membership of 12, to-day there are 18 churches with membership of 3,900.

IT COSTS TOO MUCH, And That is Why so Many Men Oppose Widening Diamond Street. VIEWS OF PROTESTING CITIZENS Are Freely Laid Before the Councilmanic Committee, Together With A REMONSTRANCE LARGELY SIGNED

Three members of the sub-Survey Committee of City Council, appointed to investigate the matter of the proposed widening of Diamond street, met at the Chamber of Commerce yesterday afternoon and heard the views of citizens and property owners on the matter. The meeting had been called for the corner of Wood and Diamond streets, but Superintendent Follansbee invited the gentlemen into the Chamber of Commerce. The members of the committee present were Messrs. Bingham, Getty and Epping. Among the property owners were David Gregg, J. R. Gregg, Thomas Miller, C. C. Meyer, William Egan, D. P. Black, Hugh Richardson, L. McIntosh, S. W. Black and James R. McKee.

Mr. Bingham acted as Chairman of the committee, and stated that the object was to hear the statements of the property owners either for or against the proposed widening of Diamond street. Mr. Bingham wanted to know first how the assessment was to be made to bear the cost of the work. Mr. Bingham replied that the matter of assessment was entirely in the discretion of the Board of Viewers. The law provided that the assessment should be made on the property benefited by the improvement.

Major Patterson asked how it was to be determined to what extent a lot 35 feet deep would be benefited after 20 feet had been cut away, and if, in the event of it being decided wholly damaged, the owner was to be paid the assessed value of the lot, and if the owners of abutting property would be assessed to the extent of these damages. Mr. Bingham replied again that the Board of Viewers had power to go as far as in their judgment property had been benefited. Mr. Miller was of opinion that in instances where the small end of a lot remained directly in the rear end of property fronting on Fifth avenue, the property would be worth quite as much as the whole lot fronting on Diamond street.

Mr. Gregg said he was opposed to the proposed widening entirely, but if it was to be done at all, he would as soon see it made 60 feet wide as 40. He also suggested, as an objection to the whole matter, that tenants of the lots on the west side of the street were proposed to be a business man, whose lease runs for five or ten years, yet would have his business almost entirely destroyed. Mr. Egan agreed with Mr. Gregg, saying that he had been 21 years building up a business, and he wanted to know if he was to be left without getting damages in case his business was destroyed.

THE COUNTY CONTROLLER and the Commissioners yesterday reaffirmed their former decision regarding the Board of Assessors who were delinquent in making their returns. They decided that they find no relief for them under the law, and at the least, Mr. Getty said in account of their delay in making their returns, they must make it. The penalty is 50 cents for every day for every delinquent return that the assessors kept out their books, and no pay for any work after that date. The delinquency of the assessors is the cause, because they contained a number of papers. It is now thought that the man has been murdered for his money.

LAWRENCEVILLE ELECTRIC LAMPS. The new electric lamps for the use of the city are now being erected in Lawrenceville, and that part of the city will soon be lighted by electricity. The poles, with their long projecting arms, and the lamps, make an appearance, looking as if a number of cranes had been erected at intervals along the avenues.

A MOTHER WHO COMPLAINS OF HER CHILD. Mrs. Hoffman, of South Eighteenth street, sued her daughter yesterday before Alderman Hartman because she alleges that the child was born when the mother reprimanded her for a breach of domestic discipline. A SWELL CIRCUS. Clara Belle in to-morrow's DISPATCH, together with some points of interest about Mrs. Cleveland and her poetic gifts. WALL PAPER. It will be our aim to do very nice work, giving our customers the advantage of the newest designs and colorings, combined in the most artistic manner. When ordered one of the firm, all of whom are experienced wall paper men, will look after the work.

LATE NEWS IN BRIEF. The Secretary of the Treasury yesterday afternoon accepted \$140,000 bonds, 4 1/2 per cent, to run for 10 years. Ex-Governor Nelson C. Dewey, the first Governor of Wisconsin, and an old-time Democrat, died in New York City, at the age of 75 years, and is being buried in New York City. The striking employees of the Ames Shovel Works of North Easton, Mass., have been notified to vacate the corporation tenements by March 2. The strike is likely to affect other departments.

The funeral of Mary Louise Booth, late editor of the Express, took place yesterday in New York City, and was largely attended by friends and acquaintances of the deceased. The funeral was held at the residence of her father, Dr. Faxon, of St. George's church, and the body was interred in the cemetery. A New York newspaper prints the following result of a hasty scan of representative New Yorkers yesterday, to ascertain the drift of feeling as to who is the leader of the Democratic party. It shows as follows: For Hill, 72; for Cleveland, 34; for Randall, 16; for Pittsburg, 12, total, 134.

The farmers near Hill Pond, Kent county, Maryland, are much alarmed at a cattle disease, cerebro-spinal meningitis, which has become prevalent in the locality. George W. Harper recently lost eight horses and mules. When the disease is introduced into a stable it is likely to prove fatal to all cattle kept there. Frank C. Hollins & Co. yesterday obtained a writ of habeas corpus for the release of the property in that state of the St. Louis and Chicago Railway Company, in a case brought to recover \$53,883. This amount the plaintiffs claim to be due on a balance sheet which they received loaned defendant \$57,316, and it having all been paid but \$53,883.

The Denver express yesterday had on board Mormon Elder Fry of Salt Lake City, and 175 converts from the same denomination. Fry has been a missionary to the South since 1870, and is now on his way to the backwoods of East Tennessee, Northern Georgia and Alabama, and were for the most part ignorant people. Fry is a well-to-do, well educated, and says that he will give his people new homes in the West. A wreck occurred on the Louisville and Nashville road, between Morris station and Independence, Ky., six miles back of Covington. The freight train, consisting of 100 cars, was on its way to Cincinnati, broke an axle, throwing the car and the caboose from the track, and the freight train was wrecked. The wrecked car was a conductor's car, another was a brakeman's car, and the rest of the train is unknown. All were seriously injured. They were removed to Covington.

Mr. Dion Boncourt and Miss Louise Thordyke were married Thursday afternoon in St. Boncourt's home, on Fifty-fifth street, near Fifth avenue. The bride is the daughter of Chief Justice McAdam and witnessed by Mr. Clark Bell. Miss Thordyke was married to Mr. Boncourt in 1870, and they have had two children. The divorce recently obtained in England by Mrs. Thordyke from her husband, Mr. Boncourt, was in the opinion of some people, and Mr. Boncourt determined to set the matter right and protect his wife's interests to the full extent of the law.

THE COLD DISCOVERIES in Lower California are increasing rapidly, but it is not yet known in the southern part of the State. The Santa Clara district, where the crowds are rushing in from all directions, has already 40 miles west of Escondido. All along the line thousands are en route to the scene of the great discovery. At San Diego the streets are filled with strangers outfitting for the mines, and with wagons and mules loaded with mining outfits. An average of 600 men a day have left for the mines for the last four days. The best indication of the extent of the discovery is that no one has returned except to replenish their supplies. The telegraphers have also joined the prospecting party. The men were camped at La Jolla last night, waiting clearances to go to the mines. Escondido is practically deserted by men. W. Van Dorn and C. A. Bennett, of San Diego, were among the first to arrive at Escondido last night. Both are enthusiastic. Fifteen miles west of Escondido already been discovered and promise a permanent camp.

THE AMATEUR ARTISTS' Association elected officers yesterday as follows: President, Miss Henderson; Secretary, Miss Young; Treasurer, Miss Keenan; Librarian, Miss Morrison. The association will entertain and Hoagan, the amusement company, and Mrs. McCoy, Miss Palmer and Miss Henderson compose the book committee. RESTAURANTS and OLEOMARGARINE. Seventeen restaurant keepers have been sued before Alderman Carlisle for serving their guests with oleomargarine instead of butter, on the grounds that inasmuch as it is furnished with a label, it is sold to the guests, which is against the law.

AN EXCITING BOAT RACE. Two to-morrow, the John O. Phillips and the Dave Wood, ran a race yesterday up the Monongahela river from the Sunfield street bridge to Look No. 1. The race was very exciting, both boats arriving abreast at the end of the race. The boat which had the channel side and the went through first. KISS ME. A special correspondent in the DISPATCH writes from Florida with a curiously pronounced name, and tells of a land where milk and sugar flow. MY SWEETHEARTS. Shirley Dare, a little girl, writes a pleasant note to the DISPATCH by letters to the charming children she has known. SEVERAL EXTRA BARGAINS. Ladies' Swiss ribbed vests, just opened, at Home & Ward's, 41 Fifth avenue.
